TROPICAL STORM ERNESTO

SITUATION REPORT # 27

1400 Hours 2 October 2006

New Information in Italics and Bold

SUMMARY

The Virginia Department of Emergency Management/Virginia Emergency Operations Center is at Hurricane Readiness Level 5, Recovery Operations as activity transitions to the Joint Field Office.

EXECUTIVE ACTION

EOC Activation: The Virginia Emergency Operations Center is monitoring National Weather Service forecasts, producing Situation Reports, *and preparing for operational transfer to a Joint Field Office.*

VDEM Priorities: Provide for the health, safety, and welfare of citizens and emergency workers; transition to the administration of recovery programs for Public Assistance; assist in the appeal of the Federal decision not to award Individual Assistance; and keep stakeholders and the public informed.

An After Action Review by representatives of those agencies which responded at the VEOC for Tropical Storm Ernesto will be conducted on 5 October.

STATE OF EMERGENCY

Governor Timothy M. Kaine declared a state of emergency for the Commonwealth of Virginia on August 31, 2006, in preparation for Tropical Storm Ernesto.

Marine Resources Commission language for an amended Executive Order has been accepted. On 15 September Governor Kaine amended Executive Order Number 34 (2006) by providing for an expedited state permitting process for pier and shoreline restoration projects needed to correct damage caused by Tropical Storm Ernesto.

On 8 September, the Governor requested a Presidential Disaster Declaration for Individual Assistance to include nine localities: the counties of Accomack, Gloucester, Lancaster, Mathews, Middlesex and Northumberland, and the cities of Hampton, Newport News and Richmond and has requested Public Assistance for 25 localities: the counties of Accomack, Caroline, Charles City, Dinwiddie, Essex, Gloucester, Isle of Wight, James City, King William, Lancaster, Mathews, Middlesex, New Kent, Northampton, Northumberland, Richmond, Southampton, Surry, Sussex, Westmoreland and York, and the cities of Hampton, Newport News, Poquoson and Richmond.

President Bush granted Governor Kaine's request for Federal Assistance and declared a Major Disaster for the Commonwealth of Virginia on 22 September due to damage resulting from Tropical Depression Ernesto that began on 29 August. The Cities of Poquoson and Richmond as well as the Counties of Accomack, Caroline, Charles City, Dinwiddie, Essex, Gloucester, Isle of Wight, James City, King William, Lancaster, Mathews, Middlesex, Northampton, Northumberland, Richmond, Surry, Sussex, Westmoreland and York were designated to receive Public Assistance along with eligible State Government, Local Government and private non-profit organizations. Public Assistance for the Cities of Hampton and Newport News as well as the Counties of New Kent and Southampton has not been approved. All jurisdictions in the Commonwealth are eligible to apply for assistance under the Hazard Mitigation Grant Program. Formal denial of request for Individual Assistance was received from FEMA Headquarters on 28 September. *On 29 September Governor Kaine formally appealed the denial of Individual Assistance.*
